SVRS Checklist #3 for the February 19, 2013 Spring Primary is now available. The Checklist covers activities to be performed in SVRS after the polls have closed on Election Day. Note the changes for the cost reporting section of the GAB-190 for the 2013 Spring Primary. The deadline for entering cost data has been extended to 60 days after the 2013 Spring General Election, no later than June 1, 2013. (The cost report for the 2013 Spring Election will also be due no later than June 1, 2013).

Other important tasks to be completed include:

- Clerks must post the number of outstanding absentee ballots and number of provisional ballots on the Internet and in their office after the close of polls on Election Day.
- All provisional ballots must be entered in the Provisional Ballot Tracking system on Election Night. Instructions on this system can be found by following the link in the Checklist.
- Except for the cost section, the GAB-190 must be completed no later than March 21, 2013.
